Classes

Beginning French is a course using a comprehensive approach in teaching adult students the basic skills to communicate with ease in a French speaking environment. The course introduces students, gradually and within a natural context, to the structure and vocabulary of the spoken and written language used in everyday life in the French speaking world. Dialogues recorded by native speakers as well as great variety of documents provide an authentic French background to draw from, study and practice.

Intermediate French is a course for people who have acquired a basic knowledge of French. It is a sequel to our beginner courses. Using a dynamic approach, intermediate French uses role playing and other teaching stimuli for the complex interchange encountered in different French speaking social environments.

Advanced Conversation centers on more demanding topics, leading to a stimulating exchange of opinions about contemporary life, public issues, current events or the arts for instance. Most of these classes are based on selected articles from French newspapers, magazines, or periodicals.

Questions regarding your level of French language:

If you are absolute beginner, it is better to start from the beginning of the session (1st or 2nd week) or take some private lessons to catch up if you are 2 or 3 weeks late in the session.

If you already know some French, you may join a class anytime.

We suggest that you register for the class you think the most appropriate. During the first class, the instructor will judge whether you should try an other level.

You are also welcome to try 2 or 3 classes for up to 2 weeks (\$25 per class), and then pay for the remaining of the session if you find the right level for you and you decide to stay.

Private Instruction

for any level at the student's choice of day and time if a teacher is available.

Arrangements are made by contacting **Marie-Claude** at marieclaud@afscv.org or (408)445-2095.

A non-refundable minimum of 6 hours is required, to be paid in full upon receipt of the invoice or no later than the first lesson. As a courtesy to our teachers a 24 hour notice must be given if a lesson is to be missed, such lesson must be rescheduled and given within 2 weeks, or fee will be forfeit.

Our rates are as follows:

	1 student	2 students	3 students	4 students
- at the teacher's place-----	\$45/hour	\$55/hour	\$60/hour	\$60/hour
- at an other location (the school, the student's home, the student's work place, ...) -----	\$55/hour	\$65/hour	\$70/hour	\$70/hour
